

**MALASPINA CHOIR MARGARET E. STEPHENS MEMORIAL AWARD**

Margaret Stephens loved music and throughout her life was an active member of community music organizations. She recognized the joy music creates and its ability to capture emotion, generate excitement, and educate audiences of all ages and musical tastes. Her performances and participation in community music groups allowed her to share her love of music with her family, friends, fellow performers and the public. The Malaspina Choir Margaret E. Stephens Memorial Award sustains her passion and commitment by encouraging and supporting young people’s participation in local community music groups.
